Objective

To obtain a challenging web developer position in a dynamic and innovative organization where I can utilize my technical and creative skills to develop and maintain responsive, user-friendly, and visually appealing websites.

Skills & abilities

Backend: Core and Advance Java | Spring boot | Spring MVC | Hibernate | JDBC | RESTful API
Frontend: HTML | CSS | JavaScript | React js
Database: SQL
Tools: IntelliJ IDEA | Eclipse | VS code | GIT & Github | Postman

Work History

INTERSHIPS

KODNEST TECHNOLOGIES

Java Full stack Intern | October 2024 – current

- Develop and maintain front-end components using HTML, CSS, JavaScript, and frameworks like React.js
- Work on server-side logic using Core Java, Spring Boot, and Hibernate.
- Develop RESTful APIs for seamless integration between front-end and back-end.
- Write and optimize SQL queries for data manipulation.
- Work with relational databases like MySQL and ensure efficient data storage.

Education

INSTITUTE OF ENGINEERING & TECHNOLOGY DAVV INDORE

Indore | Bachelor Engineering in Computer Science and Engineering

Earned 71.1% and completed relevant coursework in web development, database management, and software engineering.

GOVT.POLYTECHNIC COLLEGE HARDA

Harda | Diploma in Computer Science and Engineering

Earned 87.4% and completed relevant coursework in web development, database management, and software engineering.

Project

Pokemon Explorer

March 2025 – April 2025

- Developed a responsive front-end application using React.js, enabling users to explore detailed Pokémon information through data fetched from a public REST API.
- Implemented features like search, pagination and favorites enhancing the user experience and UI interactivity.
- Utilized JavaScript and CSS for dynamic behavior and custom styling, ensuring a seamless and responsive design across various devices.
- Managed state effectively using React hooks and component-based architecture to ensure performance and maintainability.

Achievements

College TNP Coordinator .
Coordinated various fest across departments, lead various departments as a team leader.

Certifications

C language by IIT Bombay
